MAKING YOUR LIFE EASIER WITH QUALITY EQUIPMENT

magimix®

**Simple,
Efficient,
Lasting
Products!**

Magimix is a French company that has been designing and manufacturing high-quality food processors since 1963.

Born out of Burgundy, an internationally renowned region for gastronomy, Magimix is proud to maintain a very demanding industrial tradition.

Designed and made in France, Magimix is the perfect companion for food preparation.

Always at the forefront of innovation in the kitchen, Magimix is pleased to enable the home cook to accomplish professional results quickly, easily, and quietly.

Magimix helps you prepare all kinds of recipes, from appetizers to desserts. It is no coincidence that the world's top restaurants use the professional versions of our products.

SUPERIOR DESIGN

Magimix's early experience in professional kitchen equipment has taught us the importance of designing simple, efficient, durable products.

We pay particular attention to the quality of the materials and components to ensure that all our domestic appliances can last you a long time.
